WOMEN IN INTERNATIONAL SECURITY

Event Briefing: The Evolution of Emergency Management in a Post-Pandemic World

COVID-19 took the lives of more than four million people, plummeted the global economy, radically impacted industries, and reversed years of socioeconomic progress. The **WIIS New York Chapter and the WIIS Emergency Management Task Force** invite you to join leaders in the emergency management, first responding, and security fields as they share personal experiences facing COVID-19.

Featured Guests:

Amber Greene
Deputy Director, Corporate
Communications & Media Relations,
Port Authority of NY and NJ

Craig Biscuiti
Supv. of Emergency Preparedness,
NY Presbyterian Hospital

Katie A. McDermott
Director of Communications,
WIIS EM Task Force;
Hospitality Manager, Kobre & Kim

Michael Lee
Director of CCTV and Drones,
Metropolitan Transportation Authority

Facilitated by:

The WIIS Emergency Management Task Force

Kit Lee-Demery
Chair, WIIS EM Task Force;
Manager, Business Continuity,
Proskauer

Katie Fischer
Co-Chair, WIIS EM Task Force;
Grant & Stewardship Manager,
CARE
